

James Marvin.
Assistant Principal
Brick Township High School

James Marvin is one of the three assistant principals at Brick Township High School. After going through the Brick Township Public School system, he graduated from Brick Memorial High School. For his undergraduate degree in Secondary Mathematics Education, Mr. Marvin studied at the University of Delaware where he was awarded Outstanding Student Teacher of Mathematics. Mr. Marvin was hired as a mathematics teacher at Brick Township High School where he also coached various sports including baseball, basketball, and soccer. He completed his Master's Degree in Educational Leadership at Kean University and was hired as an Assistant Principal at Brick Township High School in February of 2017. Mr. Marvin believes that rapport and relationships are essential in cultivating an inclusive school community and educating the whole child as well as supporting staff.
